**Thank you for supporting dementia research.**

## Let's Talk Dementia

BRACE Dementia Research is a small, but mighty, charity based in the Bristol Brain Centre in Southmead Hospital. On Saturday 30th September we are hosting a free, public information event: Let's Talk Dementia at the Paintworks Event Space, 10am – 5pm and we are looking for business sponsors.

Reach new audiences, and be part of a successful charity that has been hitting the headlines for funding important work at the South West Dementia Brain Bank. The unique bank supports thousands of researchers in the UK and around the world each year. International attention has also been given to an early Alzheimer's test which, thanks to BRACE funding, has shown such promising results the test is now being investigated for use by the NHS.

If your business is interesting in sponsoring the event, please get in touch! Businesses can also sponsor the event through loaning equipment or providing informal catering and refreshments. Please contact Nikola on: [nikola@alzheimers-brace.org](mailto:nikola@alzheimers-brace.org) or call 07557 194 499 for more information, and to secure your package.
